Here's how to transfer your maturing CD into Dreyfus mutual funds.

Before mailing us your Transfer Form, please review the following items:

- After completion, send the form(s) to: Dreyfus Family of Funds, P.O. Box 55263, Boston, MA 02205-8501 Attn: Institutional Processing.
- If your bank requires presentation of your CD passbook or other documentation in order to release the proceeds of your maturing CD, please attach the necessary documents to this CD Transfer Form before mailing.
- If possible, identify the individual or department responsible for transfers of CD proceeds at your financial institution.
- Send your Transfer Form *to arrive at least two weeks (but no more than four weeks) before maturity*. Be sure not to liquidate your CD prior to maturity (to avoid possible premature withdrawal penalty).
- If you are investing the proceeds of your FDIC-insured CD in a new Dreyfus mutual fund account, you must complete *both* the CD Transfer Form and Dreyfus mutual fund account Application and return them together in the enclosed envelope. You will receive a confirmation promptly after your CD proceeds are received by and invested in your designated Dreyfus mutual fund account. Remember, mutual fund shares are not FDIC-insured.
- If you are using this CD Transfer Form to open a new account in a Dreyfus mutual fund which offers the *Dreyfus TeleTransfer* or Wire Redemption privilege, you must attach to the Fund Application a **voided** check drawn on the bank account which you designate in the applicable section of the Fund Application to obtain either privilege. (By attaching the voided check, you will not need to provide an initial investment check or wire drawn on such bank account, as otherwise required in the Fund Application to obtain these privileges.)
- By signing the Transfer Authorization (Section 4), the CD owner(s) indemnifies Dreyfus Service Corporation, The Dreyfus Corporation, the Dreyfus mutual fund designated in Section 1, the Fund's Transfer Agent, any of their subsidiaries, and their agents, officers, directors, trustees, general partners and employees as to any liability, loss, expense or cost caused by: any failure or delay by the CD owner(s)' financial institution to transmit the proceeds of the applicable CD in accordance with the instructions; any failure to complete this CD Transfer Form correctly; or any failure to provide the Signature Guarantee in Section 4.
- If you are investing the proceeds of your CD in your *existing* Dreyfus mutual fund account, please include the fund account number and send us this CD Transfer Form in the enclosed envelope. You will receive a confirmation promptly after your CD proceeds are received and invested in your designated Dreyfus mutual fund account.
- This CD Transfer Form is for use only for investments into Dreyfus mutual funds for which Dreyfus Transfer, Inc. serves as Transfer Agent.
- **Mutual fund shares are not deposits or obligations of, or guaranteed or endorsed by, any bank and are not Federally insured by the FDIC, the Federal Reserve Board or any other agency. All mutual fund shares involve certain investment risks, including the possible loss of principal.**
