Transfer on Death Registration Form

Important Information — Please read before completing this form.

A Transfer on Death (TOD) designation transfers ownership of your shares to your beneficiary or beneficiaries upon your death. For joint account holders, shares are transferred to your beneficiaries upon the death of the last surviving account owner. TOD is only available on accounts registered to an individual or to joint owners with rights of survivorship and with a domestic address. *Because TOD registration can affect tax strategies and estate planning, you may want to consult a financial planner or attorney before requesting this type of registration, particularly if you reside in a community property state.* For assistance in completing this form or for answers to any questions about TOD registration, please call 1-800-645-6561.

- This form should be used to add a TOD registration to an existing account or to change TOD beneficiaries.
- This TOD form can be used for multiple accounts provided that the account registrations and beneficiary designations are identical. This form cannot be used to establish beneficiaries for IRAs.

2 BENEFICIARY DESIGNATION(S)

Please provide your designated beneficiary information in the boxes below. (If you wish to designate more than four primary or more than four secondary beneficiaries, please attached a separate sheet.) These beneficiary designations will remain in full force and effect until another properly completed form or other written instructions are received. If you designate more than one primary beneficiary, or more than one secondary beneficiary, please be sure that the percentages you assign to all primary beneficiaries add up to 100%, and that the percentages you assign to all secondary beneficiaries add up to 100%. If no percentages are designated, an even split among primary and an even split among secondary beneficiaries will be assumed. Any fractional shares that remain upon dividing the account among multiple primary beneficiaries, and any fractional shares that remain upon dividing the account among multiple secondary beneficiaries, will revert to the first named primary and first named secondary beneficiary, respectively. Any secondary beneficiary you name will receive all or a portion of your account balance only if all primary beneficiaries pre-decease you.

If a beneficiary is a minor, you must designate a custodian and provide the minor's date of birth.

Please check this box if you do not want beneficiaries to receive general marketing communications on Dreyfus products and services.
