To the Delivering Firm - Unless otherwise indicated in the instructions above, please transfer all assets in my account to Pershing, LLC, a subsidiary of The Bank of New York Mellon Corporation, without penalties; such assets may not be transferred within the timeframes required by the NYSE Rule 412 or similar rule of the FINRA or other designated examining authority.

Unless otherwise indicated in the instructions above, I authorize you to liquidate any non-transferable proprietary money market fund assets that are part of my account and transfer the resulting credit balance to the successor custodian. I authorize you to deduct any outstanding fees due you from the credit balance in my account. If my account does not contain a credit balance or if the credit balance in the account is insufficient to satisfy any outstanding fees due you, I authorize you to liquidate the assets in my account to the extent necessary to satisfy that obligation. If certificates or other instruments in my account are in your physical possession, I instruct you to transfer them in good deliverable form, including affixing any necessary tax waivers to enable the successor custodian to transfer them in its name for the purpose of sale, when, and as directed by me. I understand that upon receiving a copy of this transfer instruction, you will cancel all open orders for my account on your books. I affirm that I have destroyed or returned to you credit/debit cards and/or unused checks issued to me in connection with my securities account. I understand that you will contact me with respect to the disposition of any assets in my securities account that are nontransferable.

5. Special Instructions for transferring retirement assets

By completing this form, I authorize a direct transfer of my retirement assets from my current trustee/custodian to The Bank of New York Mellon. In the case of retirement accounts, references on this form to Dreyfus or Dreyfus Brokerage Services will mean "The Bank of New York Mellon." If you are age 70 1/2 or older this year, you may not transfer or roll over required minimum distribution amounts. If necessary, instruct your present Custodian prior to effecting this transfer to either pay your required minimum distribution to you now or retain that amount for distribution to you later.

If this account is a qualified retirement account, I have adopted the applicable plan and named The Bank of New York Mellon as successor custodian. (FOR IRAs ONLY: If the assets I am transferring are considered nonstandard assets at Dreyfus, such as limited partnerships, I realize I may be charged setup and/or maintenance fees.)

To the prior trustee/custodian: please be advised that The Bank of New York Mellon does hereby accept appointment as successor custodian.
