REQUIRED MINIMUM DISTRIBUTION FORM

(not for use with Roth IRAs or for distributions other than required minimum distributions)

Please complete this form for a distribution from a non-Roth IRA. A new form must be submitted each year to receive your required minimum distribution. Dreyfus Brokerage Services will not automatically liquidate to meet your requirement. After you attain age 70½, the IRS requires that you begin to take required minimum distributions from your IRA, based upon the Uniform Life Expectancy Table. Complete this form if you have reached age 70½ and are requesting a distribution from your Dreyfus Brokerage Account IRA. If you have any questions about this form, please call a Dreyfus Lion Account® Representative at 1-800-THE-LION (1-800-843-5466).

4. Federal Income Tax Withholding

The Bank of New York Mellon is required to withhold 10% of your distribution for Federal income tax purposes unless you elect otherwise below. If you elect not to have withholding apply to your distribution, or if you do not have enough Federal income tax withheld from your distribution, you may be responsible for payment of estimated tax. You may incur penalties under the estimated tax rules if your withholding and estimated tax payments are not sufficient. If you do not elect out of withholding, withholding will be based on the gross amount of your distribution even though a portion of your distribution may not be subject to tax (e.g., if you have made non-deductible contributions to your IRA).

I do not want income tax withholding applied to my IRA plan distribution.

(Several states require state income tax withholding. If your IRA is located in one of these states, the custodian will withhold applicable state taxes. To the extent permitted by applicable state law an election to not have income tax withheld will also apply to state income taxes.)

5. Periodic Distributions

Please make distributions on the following schedule. Select one:

Monthly Quarterly Semi-Annually Annually
Beginning (Month/Year): _____ on or about _____ day of the month

If no beginning date is specified, distribution will occur on the next possible date.

A new form must be submitted annually to recalculate your required minimum distribution and change the amount of the periodic distribution. This section should only be completed if you are taking a recurring distribution for a specific dollar amount. The Periodic Distribution will remain the same each year.
