Investors should consider the investment objectives, risks, charges and expenses of any mutual fund carefully before investing. Visit www.dreyfus.com to download a money market fund prospectus, or a summary prospectus, if available, that contains this and other information about a fund. Read it carefully before investing.

You could lose money by investing in a money market fund. Although the fund seeks to preserve the value of your investment at \$1.00 per share, it cannot guarantee it will do so. The fund may impose a fee upon the sale of your shares or may temporarily suspend your ability to sell shares if the fund's liquidity falls below required minimums because of market conditions or other factors. An investment in the fund is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. The fund's sponsor has no legal obligation to provide financial support to the fund, and you should not expect that the sponsor will provide financial support to the fund at any time.

This material has been provided for informational purposes only and should not be construed as investment advice or a recommendation of any particular investment product, strategy, investment manager or account arrangement, and should not serve as a primary basis for investment decisions. Prospective investors should consult a legal, tax or financial professional in order to determine whether any investment product, strategy or service is appropriate for their particular circumstances. No part of this material may be reproduced in any form, or referred to in any other publication, without express written permission. Recent market risks include pandemic risks related to COVID-19. The effects of COVID-19 have contributed to increased volatility in global markets and will likely affect certain countries, companies, industries and market sectors more dramatically than others. To the extent the Strategy may overweight its investments in certain countries, companies, industries or market sectors, such positions will increase a client's exposure to risk of loss from adverse developments affecting those countries, companies, industries or sectors.

Dreyfus is a division of BNY Mellon Investment Adviser, Inc.; BNY Mellon Securities Corporation is a registered broker dealer and the Funds' distributor.
