Disclosure

All investments involve risk including loss of principal. Certain investments involve greater or unique risks that should be considered along with the objectives, fees, and expenses before investing.

Investors should consider the investment objectives, risks, charges and expenses of any mutual fund carefully before investing. Visit www.dreyfus.com to download a money market fund prospectus, or a summary prospectus, if available, that contains this and other information about a fund. Read it carefully before investing.

1. Government/Treasury Money Market Funds: You could lose money by investing in the Fund. Although the Fund seeks to preserve the value of your investment at $1.00 per share, it cannot guarantee it will do so. An investment in the Fund is not a bank account and is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. The Fund's sponsor is not required to reimburse the Fund for losses, and you should not expect that the sponsor will provide financial support to the Fund at any time, including during periods of market stress.

Although the Fund's board has no current intention to impose a fee upon the sale of shares, the board reserves the ability to do so after providing at least 60 days prior written notice to shareholders.

2. Retail Prime Money Market Funds: You could lose money by investing in the Fund. Although the Fund seeks to preserve the value of your investment at $1.00 per share, it cannot guarantee it will do so. The Fund may impose a fee upon sale of your shares. An investment in the Fund is not a bank account and is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. The Fund's sponsor is not required to reimburse the Fund for losses, and you should not expect that the sponsor will provide financial support to the Fund at any time, including during periods of market stress.

3. Offshore Treasury/Offshore Prime Money Market Funds: The funds outlined are not available to U.S. Persons (as described in the Prospectus) and may only be offered and sold in accordance with Regulation S under the U.S. Securities Act of 1933.

BNY Mellon Liquidity Funds plc is an open-ended investment company with variable capital and segregated liability between sub-funds, incorporated with limited liability under the laws of Ireland. It qualifies and is authorized in Ireland by the Central Bank of Ireland as an undertaking for collective investments in transferable securities pursuant to the European Communities (Undertakings for Collective Investment in Transferable Securities -"UCITS") Regulations, 2011 (S.I. No. 352 of 2011), as amended. The Manager of BNY Mellon Liquidity Funds plc is BNY Mellon Fund Management (Luxembourg) S.A., 2-4, rue Eugène Ruppert L-2453 Luxembourg. The Manager is authorised and regulated by the Commission de Surveillance du Secteur Financier ("CSSF") to act as a management company according to Chapter 15 of the Luxembourg Act of 17 December 2010 concerning undertakings for collective investment, as amended. This is a financial promotion and is not intended as investment advice. BNY Investments and its affiliates are not responsible for any subsequent investment advice given by non-affiliates based on the information contained herein. This document may not be used for the purpose of an offer or solicitation in any jurisdiction or in any circumstances in which such offer or solicitation is unlawful or not authorized. Any offer of securities may be made only by means of the Prospectus and/or Key Investor Information Document (KIID). Past performance is not a guide to future performance. The value of investments and the income therefrom is not guaranteed and can fall as well as rise due to a variety of factors, including interest rate, stock market and currency movements. No investment strategy or risk management technique, including the ones used by the fund described herein, can guarantee return or eliminate risk. When you sell your investment you may get back less than you originally invested. No warranty is given as to the accuracy or completeness of the information contained herein and no liability is accepted for errors or omissions in such information. The information in this material is only as current as the date indicated, and may be superseded, at any time and without notice, by subsequent market events or for other reasons. BNY Investments, and its affiliates, do not undertake to revise or update this information in any way. An investment in the funds described herein involves certain risks. Prospective investors should ensure that they: (i) independently investigate the investment strategy and manager; (ii) understand the nature of the investment and the extent of their exposure to risk; (iii) have sufficient knowledge and experience to make their own legal, tax, accounting, and financial evaluation of the merits and risks of participating in an investment in the products described herein; (iv) consult with qualified investment, legal, and tax professionals before making any investment; and (v) consider the appropriateness of investing in the products described herein in light of their own circumstances and financial condition. Neither the BNY Mellon Liquidity Funds plc nor any of its sub-funds has, or will be, registered in the U.S. under the Investment Company Act of 1940, and the shares in the sub-funds are not registered under the U.S. Securities Act of 1933. Therefore, investors will not be entitled to the benefits of such registration(s). Investors must carefully consider the risks associated with the investments described herein, some of which include: i) investing in the sub-funds is not comparable to investing in a deposit account; ii) investments are subject to uncertainties such as international political developments, changes in government policies, changes in taxation, restrictions on foreign investment and currency repatriation, currency fluctuations and other developments in the laws and regulations of countries in which investments are made or in which the BNY Mellon Liquidity Funds plc is incorporated; iii) the legal infrastructure and accounting, auditing and reporting standards in certain countries in which investment may be made may not provide the same degree of investor protection of information to investors as would generally apply in major securities markets; iv) a sub-fund may use futures or options which can increase volatility and the risk of loss; v) the value of a sub-fund will fluctuate in accordance with the changes in the foreign exchange rate between the euro, the dollar, the sterling and the currencies in which the sub-fund's investments are denominated, therefore creating an exposure to currency risk; vi) value of a sub-fund may be affected by changes in interest rates and the creditworthiness of issuers of the sub-fund's investments; and vii) certain sub-funds may invest in lower-rated fixed income securities, and such securities carry a higher degree of default risk which may affect the value of an investment. The foregoing list of certain risk factors does not purport to be a complete enumeration or explanation of the risks involved in an investment in the fund described herein. In addition, as the investment markets and investment products develop and change over time, an investment may be subject to additional and different risk factors. No assurance can be made that profits will be

achieved or that substantial losses will not be incurred. Investors should read the Prospectus and/or KIID before deciding to invest. These documents can be obtained from BNY Mellon Fund Management (Luxembourg) S.A. or from BNY Mellon Securities Corporation.
