Dear Shareholder,

As a shareholder of BNY Mellon Opportunistic Small Cap Fund (the “Fund”), you should have received proxy materials pertaining to the proposed merger of the Fund into BNY Mellon Small Cap Value Fund. These materials were sent to you via email or mail, and the proposal will be considered at the Fund's Special Meeting of Shareholders, which is scheduled to take place virtually over the internet, on December 9, 2025. As described in the proxy materials, the Fund’s Board of Directors unanimously recommends you vote FOR the proposal.

I am pleased to report that your fellow shareholders who have already voted have shown support for the proposal. While the Fund has not yet met its quorum requirements, a substantial percentage of the votes cast have been in favor of the proposal. Please take a few moments to sign, date and mail the enclosed proxy card in the prepaid envelope or follow the instructions below to vote by telephone or internet.

Every vote counts and it is important that you vote, no matter how large or small your Fund holdings may be. Please see voting instructions below:
