

2026 Estimated Capital Gain Information: BNY Mutual Funds

The following BNY mutual funds are projected to distribute a capital gain in December 2026, based on portfolio activity through August 31, 2026, and the fund's NAV as of August 31, 2026. Estimated capital gains may be comprised of short and long-term gains and do not include ordinary income distributions. **The enclosed preliminary estimates ARE NOT FINAL and may change prior to final distribution (which will be based on October 31, 2026 data) based on several factors, including portfolio changes, tax adjustments, and changes in outstanding fund shares.** BNY mutual funds not listed below are not currently projected to distribute a year-end capital gain as of the estimate date; however, that may change and you may wish to recheck our web posting for any updates. More detailed estimates, including scheduled distribution dates, will be posted on bny.com/investments in November. Actual distributions will be posted on bny.com/investments after each fund's ex-distribution date.

BNY Mellon Securities Corporation provides these estimates for informational purposes only. Please remember that they are based on preliminary information and are subject to change. It is possible that final distribution figures will be significantly different from the data above. Capital gain estimates are not intended or written to be used as tax advice. Because each investor's tax situation is unique, you should consult your tax professional about the federal, state, local, or foreign consequences of this information.

BNY Exchange Traded Funds (ETFs) are not included in this summary.

Investors can view historical prices (located in the "Investments" tab) of bny.com/investments to find historical NAV information for each BNY Investments fund.

Short-term and long-term capital gains are taxed differently, so investors may wish to consider waiting to estimate potential tax liability until more detailed information is released in November. Investors should consider the potential reasonableness of making investment decisions prior to an ex-distribution date.

Each fund's distributions are taxable as ordinary income or capital gains, except when your investment is through an IRA, 401(k) plan or other tax-advantaged investment plan (in which case you may be taxed upon withdrawal of your investment from such account).
