**2023 Tax Information**

The Year-to-date amounts on your "ACCOUNT STATEMENT" in the "SUMMARY" section indicates the total dividends paid for 2023. All dividends paid by the Portfolio during 2023 were "exempt-interest dividends," and therefore 100% free of any regular Federal income tax.

State and local taxes differ from state to state. It is suggested that you consult with your own tax advisor with respect to these taxes.

The table below shows the annual percentage breakdown, by state or U.S. possession, of the interest exempt from regular Federal income taxes, earned by the Fund for those states in which the Fund had investments during the year 2023. **None** of the interest earned by the Fund for the year 2023 was derived from investments in certain specified private activity bonds for purposes of the Federal alternative minimum tax calculation.

The above information regarding Federal Tax Exempt income and distribution subject to alternative minimum tax (AMT) will be provided to both you and the Internal Revenue Service on Form 1099-DIV.
